

# Kilkenny Waterford Boundary

County boundary divisions are what they are, through the ages, giving the people and communities in every county a sense of heritage, history, a sense of place.

You simply cannot break a county's boundary, what next, the break-up of every county boundary in the country for some reason or other ???

Co-operation between Co. Councils on matters of mutual interests etc. yes.

But - no, to any interference with the county's boundary. absolutely not. no.

Brigid Murphy, ~~Waterford~~, Ballyragget

I Emily Grant would like to express my strong opposition to the proposal to extend the boundary of Waterford county into Kilkenny.

I am very content living in County Kilkenny.

I have no wish to live within Waterford
