Question 1

How might alteration of the boundary help or hinder the retention or creation of employment and the general economic performance of the area?

As the Port at Belview develops it will create services & jobs for South Kilkenny

Question 2

How might the alteration of the boundary help or hinder the identity or cohesion of local communities in the area?

It would split clubs like IFA - GAA - ICA - MACRA = Schools etc. Ossory would loose people & churches to Waterford.

Question 3

How might alteration of the boundary help or hinder delivery of services by local government to ensure that the needs of the local community are met now and in the future?

Revenue from the area and specially the port in Blisview would be lost from all South Kilkenny

Question 4

How might alteration of the administrative boundary help or hinder the need to maximise efficiency and value for money in local government?

Kilkenny would loose over 4 million in revenue = Less Council workers = Bad Roads = Poor Services =

Question 5

How might alteration of the boundary help or hinder the Planning and Development needs, as administered by the local authority, of the community?

Just look at the mess Waterford has made of the Quay - Ambulance's and pedestrians must use footpaths when traffic busy

Question 6

How might alteration of the boundary help or hinder the delivery of effective and accountable democratic representation?

People are loyal to there own. Take a generation for people to change views and allegations from KK.

Question 7

What strengths or weaknesses do you see in current local authority administrative boundary arrangements in the area?

Grab select Areas for Financial gain
Rivers MARK boundaries not greedy people.

Is there anything else you wish to add?

Leave well enough alone
IF not broken why fix
IF there was no port there would be no review of Boundaries
