Question 1 How might alteration of the boundary help or hinder the retention or creation of employment and the general economic performance of the area? it would keep the communities connected and open up more opportunities for creating employment thus increasing economic performance.

Question 2 How might the alteration of the boundary help or hinder the identity or cohesion of local communities in the area? Local communities would have more access to knowledge and support from a bigger area.

Question 3 How might alteration of the boundary help or hinder delivery of services by local government to ensure that the needs of the local community are met now and in the future? The area is adjacent to the hub and the local community would be in a better position to avail of services delivered by local government.

Question 4 How might alteration of the administrative boundary help or hinder the need to maximise efficiency and value for money in local government? The area is nearer to Waterford than Kilkenny and would be more likely to benefit from being under the bigger umbrella!Can

Question 5 How might alteration of the boundary help or hinder the Planning and Development needs, as administered by the local authority, of the community? The Council are doing a great job at present and have the interest in improving the area and need to be able to expand and continue to do so on the North side of the river also.

Question 6 How might alteration of the boundary help or hinder the delivery of effective and accountable democratic representation? Can't see any problemdon't we live in a democracy?

Question 7 What strengths or weaknesses do you see in current local authority administrative boundary arrangements in the area?

Is there anything else you wish to add ? Waterford is a great City and County and the boundary should be altered because as far as I know it belonged to Waterford before and it's time to get it back!! Of course we would open our hearts and welcome all the people who reside in the area in question!
