Area in which you reside. Specific addresses are not needed. Ferrybank Co Kilkenny

Question 1 How might alteration of the boundary help or hinder the retention or creation of employment and the general economic performance of the area? I Don't Believe Moving the Boundary will increase Employment in the area as the main Employment of the area depends on the Shopping center opening which Waterford are against for the Start

Question 2 How might the alteration of the boundary help or hinder the identity or cohesion of local communities in the area? It will create Barriers within communities and Identity will be displaced

Question 3 How might alteration of the boundary help or hinder delivery of services by local government to ensure that the needs of the local community are met now and in the future? Waterford and Kilkenny c have put an amount of work together into the LDP and this is working for the area in a very positive way

Question 4 How might alteration of the administrative boundary help or hinder the need to maximise efficiency and value for money in local government? value for money is been shared to enrich our community under one local authority this would not happen

Question 5 How might alteration of the boundary help or hinder the Planning and Development needs, as administered by the local authority, of the community? planning and development has also been shared therefore it is been delivered

Question 6 How might alteration of the boundary help or hinder the delivery of effective and accountable democratic representation? here is a good level of representation Kilkenny as a whole

Question 7 What strengths or weaknesses do you see in current local authority administrative boundary arrangements in the area? At present the weakness is no show of interest from Waterford in the local communities and strengths are Kilkenny has stepped up in the last number of years ,library, playground, area office ect

Is there anything else you wish to add ? No Boundary ,No Barriers PUT THE PEOPLE First reform ACT 2014
