Area in which you reside. Specific addresses are not needed. Kilkenny City

Question 1 How might alteration of the boundary help or hinder the retention or creation of employment and the general economic performance of the area? Loss of identity.

Question 2 How might the alteration of the boundary help or hinder the identity or cohesion of local communities in the area? There will be a divide between neighbouring parishes is one is changed into Waterford.

Question 3 How might alteration of the boundary help or hinder delivery of services by local government to ensure that the needs of the local community are met now and in the future? It wouldn't. The communities of South Kilkenny wish to remain on South Kilkenny.

Question 4 How might alteration of the administrative boundary help or hinder the need to maximise efficiency and value for money in local government? Boundary alteration would have a negative financial impact on economy of Kilkenny.

Question 5 How might alteration of the boundary help or hinder the Planning and Development needs, as administered by the local authority, of the community? It would hinder it.

Question 6 How might alteration of the boundary help or hinder the delivery of effective and accountable democratic representation? It wouldn't

Question 7 What strengths or weaknesses do you see in current local authority administrative boundary arrangements in the area? Communities on South Kilkenny are serviced well by being in Kilkenny.

Is there anything else you wish to add ? Boundary will have a negative impact on South Kilkenny. Peoples' identity is at stake. Both counties have developed fine over the years. There is no reason to change.
