Area in which you reside. Specific addresses are not needed. Kilkenny

Question 1 How might alteration of the boundary help or hinder the retention or creation of employment and the general economic performance of the area?

Question 2 How might the alteration of the boundary help or hinder the identity or cohesion of local communities in the area?

Question 3 How might alteration of the boundary help or hinder delivery of services by local government to ensure that the needs of the local community are met now and in the future?

Question 4 How might alteration of the administrative boundary help or hinder the need to maximise efficiency and value for money in local government?

Question 5 How might alteration of the boundary help or hinder the Planning and Development needs, as administered by the local authority, of the community?

Question 6 How might alteration of the boundary help or hinder the delivery of effective and accountable democratic representation?

Question 7 What strengths or weaknesses do you see in current local authority administrative boundary arrangements in the area?

Is there anything else you wish to add ? Please do not try and take any part of County Kilkenny and give it to Waterford. You can't just take A people's identity away. There is no need for this boundary commission review. It is very silly really. What vested interests are behind this attempt at This land grab? I hope it is rejected.
