Question 1 How might alteration of the boundary help or hinder the retention or creation of employment and the general economic performance of the area? No help at all . It won't create any employment or help get any jobs done by county council

Question 2 How might the alteration of the boundary help or hinder the identity or cohesion of local communities in the area? We are proud Kilkenny people we support our team put up our colours call to neighbours for the banter

Question 3 How might alteration of the boundary help or hinder delivery of services by local government to ensure that the needs of the local community are met now and in the future? Kilkenny county council do a great job . Great road surface no pot holes if any appear they are delt with quick. Un like the quay in Waterford ,ballygunner road park flooding etc etc

Question 4 How might alteration of the administrative boundary help or hinder the need to maximise efficiency and value for money in local government? No difference at all

Question 5 How might alteration of the boundary help or hinder the Planning and Development needs, as administered by the local authority, of the community? It will hinder planning Waterford it known to be slower in the processing of planning .

Question 6 How might alteration of the boundary help or hinder the delivery of effective and accountable democratic representation? Both county's deliver effective representation

Question 7 What strengths or weaknesses do you see in current local authority administrative boundary arrangements in the area? Weaknesses in signage on boundary lines on both sides

Is there anything else you wish to add ? Kilkenny have nothing to gain by Waterford moving boundaries . Waterford have everything just greed nothing else. It like the English saying we're in the British Isles would you say ok to that
