Area in which you reside. Specific addresses are not needed. [redacted] Slieverue, Co.Kilkenny

Question 1 How might alteration of the boundary help or hinder the retention or creation of employment and the general economic performance of the area?

Question 2 How might the alteration of the boundary help or hinder the identity or cohesion of local communities in the area?

Question 3 How might alteration of the boundary help or hinder delivery of services by local government to ensure that the needs of the local community are met now and in the future?

Question 4 How might alteration of the administrative boundary help or hinder the need to maximise efficiency and value for money in local government?

Question 5 How might alteration of the boundary help or hinder the Planning and Development needs, as administered by the local authority, of the community?

Question 6 How might alteration of the boundary help or hinder the delivery of effective and accountable democratic representation?

Question 7 What strengths or weaknesses do you see in current local authority administrative boundary arrangements in the area?

Is there anything else you wish to add ? Waterford Council should not be allowed to extend Waterford's borders into South Kilkenny. This would ultimately be splitting the parish in which I reside, Slieverue, in two. I believe this is unfair and has nothing to do with the authorities being able to have better control of southern areas, the main reason behind councillors decision to review the border is so they may gain control of Belleview Port, Co.Kilkenny. Slieverue always was and forever shall remain a part of Co.Kilkenny, this shouldn't changed based on the greed of some people.
