Question 1 How might alteration of the boundary help or hinder the retention or creation of employment and the general economic performance of the area? will hinder the creation of jobs,

Question 2 How might the alteration of the boundary help or hinder the identity or cohesion of local communities in the area? areas being based on parishes, this will destroy at least two areas.

Question 3 How might alteration of the boundary help or hinder delivery of services by local government to ensure that the needs of the local community are met now and in the future? the boundary extension will put people off interacting with the local authorities.

Question 4 How might alteration of the administrative boundary help or hinder the need to maximise efficiency and value for money in local government? cooperation of both councils would be very advantages to the area.

Question 5 How might alteration of the boundary help or hinder the Planning and Development needs, as administered by the local authority, of the community?

Question 6 How might alteration of the boundary help or hinder the delivery of effective and accountable democratic representation?

Question 7 What strengths or weaknesses do you see in current local authority administrative boundary arrangements in the area?

Is there anything else you wish to add ?
