Area in which you reside. Specific addresses are not needed. Kilkenny

Question 1 How might alteration of the boundary help or hinder the retention or creation of employment and the general economic performance of the area? Can't see it making a difference

Question 2 How might the alteration of the boundary help or hinder the identity or cohesion of local communities in the area? Can't see it making a difference

Question 3 How might alteration of the boundary help or hinder delivery of services by local government to ensure that the needs of the local community are met now and in the future? Can't see it making a difference

Question 4 How might alteration of the administrative boundary help or hinder the need to maximise efficiency and value for money in local government? Can't see it making a difference

Question 5 How might alteration of the boundary help or hinder the Planning and Development needs, as administered by the local authority, of the community? Can't see it making a difference

Question 6 How might alteration of the boundary help or hinder the delivery of effective and accountable democratic representation? Can't see it making a difference

Question 7 What strengths or weaknesses do you see in current local authority administrative boundary arrangements in the area? Can't see it making a difference

Is there anything else you wish to add ? I can see no reason why Waterford need to expand their county into Kilkenny. What gives Waterford the right to just take land from Kilkenny. It's just greed...pure greed! They're very lucky to have already gotten the land they've already gotten...crazy!!! It should never have been authorised. Counties should not be able to expand if the choose...where would this stop...
