Question 1 How might alteration of the boundary help or hinder the retention or creation of employment and the general economic performance of the area? The boundary as it is provides a lot of employment , glanbia being a prime example , I am opposed to any alteration

Question 2 How might the alteration of the boundary help or hinder the identity or cohesion of local communities in the area? In my opinion any alteration may lead to anti social behaviour in many communities around the boundary , I am opposed to any alteration

Question 3 How might alteration of the boundary help or hinder delivery of services by local government to ensure that the needs of the local community are met now and in the future? If the boundary was altered it could lead to confusion and increased opposition to each party , I am opposed to any alteration .

Question 4 How might alteration of the administrative boundary help or hinder the need to maximise efficiency and value for money in local government? It would not change a single thing , I am opposed to any alteration .

Question 5 How might alteration of the boundary help or hinder the Planning and Development needs, as administered by the local authority, of the community? Confusion between authorities would lead to delays in decisions , I am opposed to any alteration .

Question 6 How might alteration of the boundary help or hinder the delivery of effective and accountable democratic representation? It would lead to confusion of older adults , I am opposed to any alteration

Question 7 What strengths or weaknesses do you see in current local authority administrative boundary arrangements in the area? Everyone knows the present boundaries and all is well , any alteration would lead to confusion and anti social behaviour . I am opposed to any alteration

Is there anything else you wish to add ? I am opposed to any alteration
