Question 1 How might alteration of the boundary help or hinder the retention or creation of employment and the general economic performance of the area? Pointless Exercise - Wont be Kilkenny and Waterford don't really care.

Question 2 How might the alteration of the boundary help or hinder the identity or cohesion of local communities in the area? Waste of Money , even considering it

Question 3 How might alteration of the boundary help or hinder delivery of services by local government to ensure that the needs of the local community are met now and in the future? Its just divisive and unnecessary

Question 4 How might alteration of the administrative boundary help or hinder the need to maximise efficiency and value for money in local government? Time and money would be better spent fixing real problems

Question 5 How might alteration of the boundary help or hinder the Planning and Development needs, as administered by the local authority, of the community? Bad plan to even consider it

Question 6 How might alteration of the boundary help or hinder the delivery of effective and accountable democratic representation? Turning Kilkenny into Waterford is like turning water in wine. It will take a miracle

Question 7 What strengths or weaknesses do you see in current local authority administrative boundary arrangements in the area? If its not broke, leave it alone
