Area in which you reside. Specific addresses are not needed. Rockshire road

Question 1 How might alteration of the boundary help or hinder the retention or creation of employment and the general economic performance of the area? It will probably have no effect at all.

Question 2 How might the alteration of the boundary help or hinder the identity or cohesion of local communities in the area? It will hinder the good relationship that now exists within this area and will cause divisions in large parts of the proposed area

Question 3 How might alteration of the boundary help or hinder delivery of services by local government to ensure that the needs of the local community are met now and in the future? The services in this area are very good at the moment the proposed change will hinder them as can be seen in parts of Waterford city at the present time.

Question 4 How might alteration of the administrative boundary help or hinder the need to maximise efficiency and value for money in local government? It will have no effect at all

Question 5 How might alteration of the boundary help or hinder the Planning and Development needs, as administered by the local authority, of the community? Changing the boundary will make no difference to the development at all as all development now comes under invermental control.

Question 6 How might alteration of the boundary help or hinder the delivery of effective and accountable democratic representation? Aren't we supposed to have that anyway'. Will it be any better I doubt it.

Question 7 What strengths or weaknesses do you see in current local authority administrative boundary arrangements in the area? There are no complaints in this area that I know of.

Is there anything else you wish to add ? The majority of people living in this area are satisfied with the present admin.
