Area in which you reside. Specific addresses are not needed. Johnstown co kilkeny

Question 1 How might alteration of the boundary help or hinder the retention or creation of employment and the general economic performance of the area? It would reduce kilkeny's economic performance due to losing masses of revenue.

Question 2 How might the alteration of the boundary help or hinder the identity or cohesion of local communities in the area? It would greatly decrease the values and cohesion of communities and resentment may begin to appear

Question 3 How might alteration of the boundary help or hinder delivery of services by local government to ensure that the needs of the local community are met now and in the future? It would raise costs of local services as many people would be redirected to different areas

Question 4 How might alteration of the administrative boundary help or hinder the need to maximise efficiency and value for money in local government? It would cause Kilkeny co to be under severe pressure to perform

Question 5 How might alteration of the boundary help or hinder the Planning and Development needs, as administered by the local authority, of the community? All current applications would be back logged in different county council causing massive disruption

Question 6 How might alteration of the boundary help or hinder the delivery of effective and accountable democratic representation? If the democratic representatives were acting correctly this would never have come up

Question 7 What strengths or weaknesses do you see in current local authority administrative boundary arrangements in the area? Kilkeny would be losing clubs and parishes that are part of us - completely unreasonable question to ask

Is there anything else you wish to add ?
