Is there anything else you wish to add ? I would like to understand as to why this has been requested, what is the reasoning behind giving part of Kilkenny to the county of Waterford. Waterford is big already with two council offices, Kilkenny only one & the council work hard. There is a problem is the embargo on the council & that new blood is required to assist the councils move on with new technology & new ways of doing things. I am against the rezoning of land to Waterford from Kilkenny
